

Personal data protection policy

We appreciate your interest in our website and our company. We make every effort to protect your personal data when it is collected, processed and used during your visit of our website. Your data is protected in accordance with statutory requirements, including the General Data Protection Regulation (EU) 2016/679, whose implementation is described in the personal data protection policy below.

Personal data

Personal data is collected and processed on our website as far as you have actively provided such data by registering yourself. KeyQuant may collect different categories of personal data such as, in particular:

- Last Name
- First Name
- Email
- Profession
- Company
- Phone number
- Job Title
- Country
- Investor type

Keyquant is also likely to collect IP addresses, cookies, and information about your browser in order to perform security or statistical analysis-related processing on an anonymous basis.

Use of personal data

The purpose of the personal data use is to enable the carrying out of statistical analysis operations in order to improve the services offered and to enhance the security of the website. This information also allows the provision, if any, of data relating to collective investment vehicles managed by Keyquant.

Disclosure of personal data

Personal data is disclosed to service providers in order for them to carry out the services specifically dedicated to KeyQuant's scope of activity.

Personal data storage

Personal data collected by Keyquant is stored on servers located in France. However, some personal data transferred to third parties may be stored on servers located outside of the European Union.

Transfer of personal data

KeyQuant outsources some of its processing and might in this instance transfer data outside of the European Union. In such a case, KeyQuant is committed to have the service providers contractually agree to adequate data protection.

Data retention

KeyQuant is committed to storing your personal data no longer than necessary for the purpose for which it was processed. Furthermore, KeyQuant stores your personal data in accordance with the retention period imposed by current regulations.

Right of access, modification, rectification and erasure

In accordance with Act No. 78-17 of January 6, 1978 as amended, you have the right to access, modify, rectify and erase your personal data. Our website www.keyquant.com is designed to allow you to carry out these operations. You can also exercise your rights by way of mail, accompanied by a copy of your ID, addressed to webmaster@keyquant.com.

Amendments

The current policy might be amended depending on the legal and regulatory changes, as well as in accordance with the CNIL doctrine.
